We, the undersigned, hereby certify that we have this day examined the foregoing account of H. W. Allen, Treasurer of the town of Haverhill, N. H., for the year ending February 15th, 1899, and find the same to be properly vouched and correctly cast.

Haverhill, N. H., Feb. 17, 1899.

SELECTMEN'S REPORT.

Annual Report of the Selectmen for the year ending February 15, 1899.

To the Taxpayers of the Town of Haverhill :—

In submitting their report the selectmen would respectfully call attention to a few points that perhaps may not be made clear by the figures which follow.

At the beginning of the year, March 8, 1898, the town had a debt, as reported by the auditors, of \$57,116.32. This was represented by unpaid bills, outstanding orders, and town notes, on which the town was paying from 4 1-2 per cent. to 6 per cent. interest. At a special town meeting held Oct. 25, 1898, it was voted (the vote being 550 to 3) to issue bonds to the amount of \$57,000, and thus have all the indebtedness in one form of an obligation. In accordance with the vote adopted \$57,000 of bonds have been issued, having date of Dec. 1, 1898, and drawing interest at 4 per cent. Under the terms of this issue the town is to retire \$3,000 of bonds annually. These bonds were advertised to be sold to the highest bidder. There was a large number of bids received varying from 101.27 to 103.12, the latter bid being that of E. H. Rollins & Sons of Boston, to whom the bonds were awarded. The town thus received for its bonds, including premiums and accrued interest, \$58,860.73, which means that the loan was placed on nearly a 3 1-2 per cent. basis, thus making a large saving of interest to the town.

The last town report showed that there were then pending against the town three suits as follows : John L. Davis, appeal from land damages ; Hugh Traverse, appeal from land damage ; and town of Plymouth, to recover for support of Harry Frizzell. We are pleased to report that all of these cases have been settled, and that the town is today free from any law suit.

All town notes have been paid. There is not an outstanding order against the town, excepting one for \$6.64. Every bill presented to date, and allowed, has been paid, and the treasurer's report shows a cash balance on hand of \$4,529.46.

For some time there has been need of a new lockup at Woodsville. An agreement was therefore entered into between the County of Grafton, Woodsville Precinct and the Town of Haverhill to fit up a modern lockup in the basement of the court house. The county gave use of building, and Woodsville Precinct and Town of Haverhill shared equally the expense of furnishing steel cells, etc. The total expense was \$343.08.

It is the opinion of your selectmen that the system adopted this year of having one highway agent, he to select a man in each of the twenty districts to look after the roads in his district, has been on the whole an improvement, and they would recommend that it be continued another year.

There has always been more or less misunderstanding in regard to the licensing of dogs, and it is hoped that the publication of extracts from the law will be of benefit to all dog owners.

Under our present laws the town is obliged to raise annually a sum of about \$200 for support of a town library, but as yet the town has no town library, and the funds so raised have not been available for use. All funds raised have been deposited in Woodsville Savings Bank. It is hoped that the law will soon be amended so that the town can receive some benefit from money so raised.

The Southard fund of \$5,000, left to the town in trust, was invested in a mortgage note of Q. A. Scott. This note has recently been paid so that there is in the hands of the town treasurer \$5,000 for investment. The interest of this fund is for the use of schools in the Town of Haverhill.

Report in detail is as follows :

The following orders were drawn between Feb. 15, 1898, and March 8, 1898, by the selectmen of 1897-98 and consequently did not appear in the town report of last year.

These orders have been paid by the town treasurer. (See treasurer's report.)

TOWN CLERK'S REPORT.

To the inhabitants of the town of Haverhill :—

I herewith submit my report for the year ending February 15, 1899.

I would respectfully ask that any errors noticed in the tables of births, marriages, and deaths be reported to me at once.

Your attention is also called to the extracts from the law (printed in this report) relating to the licensing of dogs.

There are, among the records of this office, several valuable books injured by fire several years ago, and I am pleased to report that the selectmen have taken steps toward having these records properly bound and preserved.

Respectfully submitted,

A. F. KIMBALL, Town Clerk.

LAW RELATING TO DOG LICENSES.

There is and has been a great deal of misunderstanding in regard to the law relating to the licensing of dogs, and the duty and liabilities of the owners. We therefore beg leave to submit a few extracts from the Public Statutes, hoping that they will be of service to the owners of dogs, and that they will govern themselves in accordance with the same.

(Extracts from Chap. 60, Laws of New Hampshire, 1891.)

SECT. 1. Every owner or keeper of a dog three months old or over shall annually, on or before the thirtieth day of April, cause it to be registered, numbered, described, and licensed for one year from the first day of the ensuing May, in the office of the clerk of the city or town wherein said dog is kept, and shall cause it to wear around its neck a collar distinctly marked with its owner's name and its registered number.

SECT. 2. An owner of a dog may at any time have it licensed until the first day of the ensuing May; and a person becoming the owner or keeper of a dog after the first day of May, not duly licensed, shall cause it to be registered, numbered, described, and licensed as provided in the preceding section.

SECT. 3. The fee for every license for a year shall be two dollars for a male dog and five dollars for a female dog, and such proportionate sum for licenses for dogs becoming three months of age after the first day of May, or which may be brought from out the state after the first day of May, as the remaining portion of the year bears to the sum required for a license for a whole year.

SECT. 8. Whoever keeps a dog contrary to the provisions of this chapter shall forfeit fifteen dollars, five dollars of which shall be paid to the complainant and ten dollars to the treasurer of the city or town in which the dog is kept.

SECT. 10. The assessors shall annually make a list of all dogs owned or kept in their respective cities or towns on the first day of April, with the owners or keepers names, and return the same to the city or town clerk on or before the first day of May. An owner or keeper of a dog who refuses to answer or answers falsely to the assessors, relative to the ownership thereof, shall be punished by fine of not less than ten dollars, to be paid into the town treasury.

SECT. 11. The mayor of each city and the selectmen of each town shall annually, within ten days from the first day of May, issue a warrant to one or more police officers or constable, directing them to proceed forthwith either to kill or cause to be killed all dogs within such city or town not licensed and collared according to the provisions of this chapter, and to enter complaint against the owners or keepers thereof; and any person may, and every police officer and constable shall, kill or cause to be killed all such dogs, whenever and wherever found.
